Folks,

I too thought last week's meeting was valuable and very much respect the different perspectives shared by the group. I have a much better understanding of the history of where we have been and some of the issues that may have contributed to threads of mistrust. I hope the airing of grievances helps us to regroup and find the best possible outcome for the site and community. Thank you all for the frank but respectful discussion and for your long-standing contributions to date.

As for this Thursday, I was thinking a morning start time here in City Hall (meet in the City Manager's Office and ask for me) and have a conference room reserved from 10-noon EST. Then lunch and tour with a final stop at Arcadia Brewing (by 3:30-4). We should easily make Michael's 5 EST departure time. Thinking start time at 10 or 10:30? Please advise.

All,

Great meetings on Thursday. I hope that you all had fun weekends.

This Thursday, How early do we want to start? At the latest, I'd like to leave Kzoo by 5 eastern. We can work back from there.

August 14<sup>th</sup> or 15<sup>th</sup> for the trip to Battlecreek? It looks like I will be taking Senator Levin on a tour of Allied on the 15<sup>th</sup> at 9 am. I am expecting the City and MDEQ to be participating too. I'm not sure if his office has contacted the mayor. Maybe we can coordinate these activities. Battlecreek on the 14<sup>th</sup> and the tour the next morning? If all of you are free on the 14<sup>th</sup> for Battlecreek, I'll make the arrangements.

Michael
